Shipping, Payment, Return & Warranty Policies (India)

Q: How long does express shipping take across India?

A: Standard Express Delivery takes 2 to 4 business days nationwide (Delhi NCR, Mumbai, Bengaluru, Hyderabad, Chennai, Kolkata, Ahmedabad, etc.). Orders placed before 3:00 PM are dispatched same-day with BlueDart / Delhivery express tracking.

Q: Which payment methods and currencies are supported?

A: All transactions are processed in Indian Rupees (INR / Rs.). We support UPI (Google Pay, PhonePe, Paytm), Credit/Debit Cards, NetBanking, EMI options, and Cash on Delivery (COD) with verification.

Q: What is the 30-day return and exchange policy?

A: We provide a 30-day hassle-free return and exchange policy. Free doorstep pickup is arranged across all serviceable Indian pincodes. Full refunds are processed within 24-48 hours back to your original payment method or UPI ID.

Q: What does the 2-Year Direct Replacement Warranty cover?

A: All ApexTech electronic items include an official 2-Year Direct Replacement Warranty covering manufacturing defects, driver failures, internal circuitry, and battery health degradation exceeding 25%.
